ICON CDC is currently in the procurement process for the next round to continue operating the City of Los Angeles North and South Valley BusinessSource Centers. Currently this contract will be awarded to successful proposers for an initial period of four (4) months, September 1, 2021 to December 31, 2021 with an option to extend up to three (3) years and (2) additional one-year terms, depending on approval from the City of Los Angeles Economic and Workforce Development Department and contingent upon the availability of funds, evaluation of subcontractor’s performance, subcontractor’s continuing compliance with applicable federal, state, and local government laws and regulations. ICON CDC reserves the right to adjust the contract term, amount and scope in order to best serve the needs of City residents and regulations of the grant or fund sources.

STATEMENT OF WORK

Proposed experienced financial consultants are applying as a Subcontract(s) with ICON CDC for the North and South Valley BusinessSource Center. The services subcontracted include but are not limited to; small business enrollment, a variety of access to capital, business growth models, financial consulting, loan packaging, job creations and retention.

- Subcontractors shall provide and deliver access to capital, including packaging loan proposals and matching business profiles to lender’s criteria. Number of total loans funded seven (7) and enrollments of fifteen (15) small businesses who currently or anticipate employing six (6) or more employees up to 500 employees with annual gross sales not expected to exceed $7.5 million once the business is legally operating.

- Subcontractors must be able to provide evidence of formal relationships with a variety of lenders.
Subcontractors must have an adequately diverse source of capital that will serve Microenterprise and Small Business clients. The subcontractor will be required to provide ICON CDC with a list of loan types and sizes that they are offering or have access to along with the qualifying criteria for those loans.

Subcontractors shall develop capital resourcing that leads to an increased likelihood of additional jobs being created or retained of which at least 51% will be held by or made available to LMI individuals living in the City and shall provide information on these sources to ICON CDC and their business clients.

Applicants shall target, recruit and serve both Microenterprise and Small Business clients in the City of Los Angeles in order to create and retain jobs according to the Los Angeles BusinessSource Center System.

Applicants shall provide training, instruction, technical business assistance and consulting (in both English and Spanish) particular to the business’ needs in order to stabilize the business ensuring the profitability of the business, which will lead to a greater propensity to achieve access to capital. The accessed capital then leads to retention of jobs.

Applicants shall provide assistance to Microenterprise and Small Business clients including financial analysis, projections preparation, cash flow management, loan assessment, and other services.

Applicants will provide training sessions for ICON CDC staff including but are not limited to idea development, company structure and type, business plans, profitability analysis, and other relevant workshops, training and services.

Applicants must have the capacity to support staff in the creation of additional jobs through training, coaching and joint meetings with clients.

Applicants are required to generate verifiable jobs through the provision of business services, as proven by the generation of HUD forms and client files with case notes adhering to HUD rules and regulations. Applicants shall be paid on a performance basis monthly retainer. All jobs must be verifiable and include an Individual Business Service Agreement (IBSA) for all enrolled Clients with original “wet” signature; Job Creation/Retention Certification Form with original “wet” signatures, List of employees with position titles prior to receiving services, List of employees with position titles after receiving services, Client Service Notes; Secondary evidence documentation showing the business is in operations a start-up businesses and/ or proof the business was about to layoff their employees for businesses with job retention; and other required documentation. Incomplete and unsigned documents shall not be accepted.

Applicants are required to generate at least 20 verifiable jobs by the end of the contract which ends December 31, 2021.
